2 sets come with the
E-Z-ON® Floor Mount

The E-Z-On® Vest Must Be Used

- This E-Z-ON® Floor Mount is the perfect design that safely restrains children with the E-Z-ON® Vest in school buses.
- The E-Z-ON® Floor Mount should be used for passengers with emotional or behavioral disorders who need additional restraint.
- Children who unbuckle their car seats or seat belts can endanger themselves and distract the bus driver.
- The E-Z-ON® Floor Mount used with the E-Z-ON® Vest creates a safe and secure restraint that exceeds a typical seat belt or 5 pt. car seat.

This product must be used on school bus seats that let the snap hook pass through the seat and attach to the passenger.

Hardware kit included. E-Z-ON® Floor Mount secures passengers 20-168 lbs. safely without the need of a vehicle seat belt.

Use only with
E-Z-ON® Vests.

Slim tilt-locks makes
adjustments easy for all
connecting straps.
