

SEAT PRODUCTS - C.E. White Co.

STUDENT SAFETY SEAT™ basic design

Basic Design: The greatest, most needed and most awaited innovation in school bus safety seating is available from The C.E. White Co.

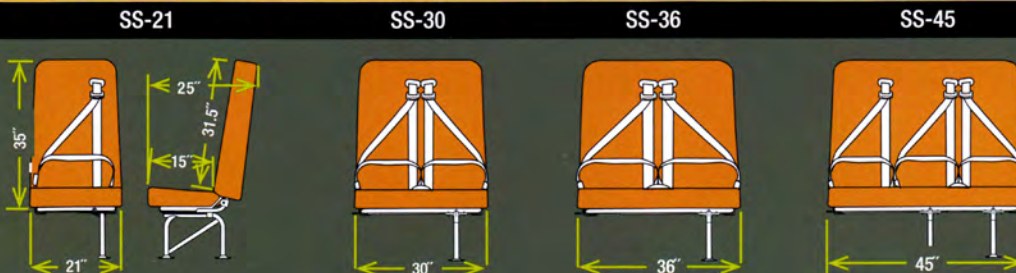

The comfortable, durable Student Safety Seat™ features an integrated 3-point lap and shoulder harness that is as familiar, fast and easy to use as the seat belts in your family vehicles.

- A single frame seat back design features a two-step “Controlled Collapse” to enhance the safety of compartmentalization.
- Available seat widths: 21” single passenger, 30” or 36” two passenger, and 45” three passenger.
- Meets all current FMVSS and Canadian standards for school buses, including FMVSS-222, FMVSS-210 and FMVSS-225.
- Standard school bus vinyl and colors, or Kevlar, Prevail™ or ProForm™ fireblock. Also available as an Activity Seat in durable, attractive fabric upholstery.
